

Interested in a career within construction?

Evolve Apprentices and Wates Construction, working in partnership with Watkins Academy are pleased to offer a two week construction skills introduction/ pre-employability programme starting 26th September 2022.

The course includes:

- A unique mix of construction roles workshops including plumbing, electrical skills, manual handling and more!
- First-hand introduction to hiring employers and guest speakers
- Employability classes including CV writing, interview skills and career exploration
- CSCS green card training, examination and certification
- IOSH Working in Construction Level 1
- Site visits and relevant work experience
- Guaranteed interview with employer*

This unique opportunity is open to those who are aged 16+, living in London and are not currently in employment, education or training. The course is fully funded (free) and no previous experience is needed as all training will be provided. So, if you are keen, motivated and work really well as part of a team then this could be the perfect opportunity for you to gain life-long skills, experience and qualifications to progress within your chosen construction trade.

* dependant on 100% attendance on programme.
