

Are you interested in working in heritage craft construction?

Does an Apprenticeship in the Heritage Craft sector as a Stonemason, Carpenter or Roofer appeal to you?

If so, then Wates Construction may have the exact training and employment opportunities you are looking for to enhance your skills and passion within the sector*.

This unique opportunity is open to those who are aged 16+, living in London and are not currently in employment, education or training. The course is fully funded (free) and no previous experience is needed as all training will be provided*.

On successful completion of this programme, participating students will be provided with opportunities to access available jobs/apprenticeships in their chosen heritage craft sector trade.

So, if you are keen, motivated and work really well as part of a team then this could be the perfect opportunity for you to gain life-long skills, experience and qualifications to progress within your chosen heritage trade.

**To be considered for this course you must be willing to attend an awareness event and assessment day in September 2022 (date to be confirmed).*

The course

- An induction to heritage craft trades on live working sites on Parliamentary Estates
- A six week assessment programme at Building Craft College, Stratford, London offering accredited training, information, advice & guidance and relevant work experience.
